

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 322

February 2, 2017

SUMMARY OF BILL: Requires the Joint Legislative Services Committee (JLSC), through the Office of Legislative Information Systems (LIS), to publish the voting records of each General Assembly member on the official website of the Tennessee General Assembly following the adjournment of each annual legislative session. Requires a member's voting record for any given annual session, once published, to remain published until, at minimum, all annual voting records comprising the two-year period of the subsequent legislative session are published on the website.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Each member's published voting record must include every bill voted upon by a floor vote in the member's respective house, and include for each bill, at minimum, the bill number, subject matter of the bill, motion presented or action proposed, date and time of the vote, the member's recorded vote, and the total floor vote for the respective house of the General Assembly.
- The minimum required information is currently available to LIS from the Offices of the Chief Clerks of the Senate and House of Representatives.
- It is assumed that the information would need to be formatted in a manner to extrapolate each individual member's voting record. Further, LIS will need to program the legislative website to link to each individual member's voting record. It is estimated that LIS will be able to add or create webpage links for posting the attachments that contain the minimum required information to each member's respective webpage, thus accomplishing the provisions of this bill, within existing resources without any additional appropriation.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in dark ink that reads "Krista M. Lee". The signature is written in a cursive, flowing style.
